At Jahur Ahmed Chowdhury Stadium in Chattogram, a significant event was organised by the Automobile Association of Bangladesh (AAB) to mark the talent hunt for future racers of Bangladesh. The AAB is officially affiliated with the FIA (Fédération Internationale de l'Automobile), with the aim of developing racers from Bangladesh to compete at the international level. The event will play a crucial role in fostering curiosity and interest among locals, students, and automobile enthusiasts, encouraging them to participate internationally and bring pride to the country.

This is the second round of the talent hunt programme, where Ms. Wasika Ayesha Chowdhury, MP, the Honourable State Minister of the Ministry of Finance, graced the occasion as the Chief Guest, and Mr. Ajmalul Hossain KC, President of the AAB, took the seat of Special Guest.

This is the beginning of a long journey ahead.
